

POLYPROPYLENE CUPS

Polypropylene cups are ideal for packaging a wide variety of products, particularly refrigerated products where good visibility of contents is required. Highland Plastics manufactures a complete line of injection molded, reusable plastic containers with snap-on-lids. To meet the increasing demand for attractive point-of-sale amenities, Hi-Plas products can be decorated with highly

detailed, multi-colored graphics. Designed for compatibility with high speed, automatic or semi-automatic filling and packaging equipment, our containers are molded from FDA approved resins to close tolerances. Hi-Plas products ensure continuous and consistent performance, shipment to shipment.
